Chapter 1	Basics of Agriculture	1-10
	● What is Agriculture?	
	● Why is Agriculture Important?	
	● Agriculture Impacting the Economy of the Country	
	● Agriculture Impacting the Social Issues of the Country	
	● Agriculture Impacting the Environmental Issues of the Country	
	Characteristics and features of Indian Agriculture	
	● Issues in Indian Agriculture	
	Prelims Questions for practice	
	● Answer Writing Tips	
	Chapter at a Glance	
Chapter 2	Major Crops	11-20
	● What is a Crops?	
	● Important Facts related to Crops	
	Geographical conditions and other facts related to Crops	
	● Important Points related to certain Crops	
	Prelims Questions for practice	
	Answer Writing Tips	
	● (2013 - 2023) Mains Solved	
	● Chapter at a Glance	
Chapter 3	Cropping Pattern in India	21-40
	What is cropping season?	
	What is cropping pattern?	
	Different types of cropping pattern	
	Factors affecting cropping pattern	
	Reason for India having multiple cropping pattern	
	● Features of Indian cropping pattern	

	Success of current cropping pattern	
	Change in cropping pattern	
	General/specific issues with cropping pattern	
	● What is crop diversification?	
	Prelims Questions for practice	
	Answer Writing Tips	
	● (2013 - 2023) Mains Solved	
	Chapter at a Glance	
Chapter 4	Different Types of Irrigation and Irrigation System Storage	41-78
	● What is irrigation?	
	● Facts related to it	
	● Importance of Irrigation	
	● Issues associated with excessive Irrigation	
	History of irrigation development in India	
	● Different Types of Irrigation Method in India	
	Other Irrigation methods	
	New Irrigation Method	
	● Solar based Irrigation	
	Different factors affecting irrigation types	
	● Micro-irrigation	
	● Fertigation	
	Prelims Questions : (UPSC 2020)	
	● Irrigation system storage	
	Classification of Irrigation system	
	● Storage Structure	
	Types of storage structure	
	Problems associated with irrigation in India?	
	Addressing the issue of irrigation in India	
	● How changes in irrigation system can help in doubling farmers income?	
	Different government measures to improve irrigation system	
	● Why North-East India with so much rainfall is facing irrigation issues?	

Traditional Water Harvesting System Decentralised Irrigation System Management of water Resource Irrigation Projects Watershed Development National Watershed Project Dryland Agriculture Participatory Irrigation Management (PIM) Sir Mokhagundan Visvesvarary's role in Water Engineering Answer writing Tips (2013 - 2023) Mains Solved Chapter at a Glance Storage, Transport and Marketing of Agricultural Produce and Issues and Related Constraints What is Agricultural Produce?
